CIVIL CONFERENCE

PURPOSE OF CONFERENCE: Status Conference/Discovery Hearing

APPEARANCES: Plaintiffs See annexed list  
Defendants See annexed list  
U.S. Dep't of Justice William Martin  
  
Ct Reporter Henry Shapiro

SCHEDULING AND RULINGS:

1. The motion by Korean Air Lines for a stay of the court's discovery order pending a ruling by Judge Gleeson on their objections to the order is GRANTED.
2. Argument heard re the plaintiffs' motion to compel discovery from Atlas; decision reserved.
3. Argument heard and ruling made on the record concerning the question, referred by Judge Gleeson, whether the request by Atlas Air World Wide Holdings, Inc. for a premotion conference is premature. For reasons stated on the record, further discovery by the plaintiffs concerning the relationship between Atlas Air and its wholly owned subsidiary is necessary before a summary judgment motion could be decided with respect to Atlas Air's liability for any price-fixing that may be proved. The request for a premotion conference is therefore premature.
4. Discussion held and deadlines set with respect to (a) information to be provided by certain airlines concerning employees (or former employees) whom the plaintiffs will wish to depose once the stay on deposition discovery expires, and (b) the production of cost and transaction data.
5. The next conference will be held on **March 3, 2011 at 2:00 p.m.**
